

Saqib Hanif

Computer Science Student | Python Developer | AI & Data Science Enthusiast

03293344426 | ssaqibmayo13@gmail.com

PROFESSIONAL SUMMARY

Computer Science student focused on Python development, machine learning, and data science. Hands-on experience building academic and personal projects using Python, Pandas, NumPy, Scikit-learn, Kaggle datasets, and Google Colab. Strong interest in internship and junior roles related to Python, AI, data analysis, and software development.

EDUCATION

Bachelor of Science in Computer Science | 2024 - 2028

Superior University, Gold Campus, Lahore

RELEVANT COURSEWORK

Object-Oriented Programming, Data Structures and Algorithms, Database Systems, Web Technologies, Artificial Intelligence, Software Engineering

TECHNICAL SKILLS

- Python (Primary), C++, JavaScript, PHP
- Pandas, NumPy, Scikit-learn, Jupyter Notebook, Google Colab
- Machine Learning, Data Preprocessing, Feature Engineering, Regression, Classification
- HTML, CSS, Bootstrap, SQL, MySQL
- Git, GitHub, VS Code, XAMPP, MS Word, Excel

TOOLS & PLATFORMS

- Kaggle for dataset practice and model experimentation
- Google Colab for notebook-based Python development
- GitHub for code sharing and version control exposure
- VS Code and Jupyter Notebook for development workflow

PROJECTS

- Fake News Detection System | Python, Scikit-learn, Pandas: Built a text classification project using preprocessing, feature engineering, and model training techniques.
- Gold Price Prediction | Python, Pandas, NumPy: Developed a regression-based project using historical data analysis and preprocessing workflows.
- Student Management System | PHP, MySQL, HTML, CSS: Built a CRUD-based web application for managing student records.
- Portfolio Website | HTML, CSS, Bootstrap: Developed a responsive portfolio site to present projects and technical skills.

STRENGTHS

- Strong Python problem-solving foundation
- Comfortable with datasets, preprocessing, training, and evaluation workflows
- Able to present academic projects clearly in notebook and web application form
